You'll have noticed this newsletter is only 4 pages long – and there's a good reason for that! We used to pack pages and pages of info into our newsletters, and we'd be lucky if we got them out to you every 2-3 months! (Doing these newsletters is actually a pretty big job!) We've changed our style & will now be sending you monthly newsletters no more than 4 pages long – we'll also be updating both our website (gypride.org) and Facebook page (facebook.com/gvprideshepparton) for those of you who like to do it online. Let us know what you think!
